

***8th BoS Meeting
Bachelor of Physiotherapy (B.P.T.) Programme***

***Venue : Board Room,
Sri Manakula Vinayagar Engineering College.
Date & Time : 8th November 2025 at 10.30 A.M.***

The 8th meeting of Board of Studies (BoS) was held on **8th November 2025 at 10.30 AM** in the Board Room with Dean in the Chair.

The following members were present for the BoS meeting

Board of Studies Members

Sl. No.	Name of the member with designation & official address	Members as per UGC norms
1.	Prof.Dr. K. VIVEK M.P.T. Ph.D., Dean School of Physiotherapy- S.M.V.E.C.,Madagadipet, Puducherry-605107. Email: deanphysio@smvec.ac.in Mobile: 9791718152	Chairman
2.	Prof. Dr. K. Balu M.P.T., Professor, School of Physiotherapy, Aarupadai Veedu Medical College & Hospital, Puducherry – 607403. Email:balukhanphysio007@gmail.com Mobile:9486282929	External Member (University nominee)
3.	Prof. Dr. A. Dinakaran M.P.T., Principal, Adhiparasakthi College of Physiotherapy Melmaruvathur– 603319. Email:apcopt1994@gmail.com Mobile:8248229285	External Member (Academic council nominee)
4.	Prof. KSI. Dr. Murali Sankar M.P.T., Ph.D., Director, School of Physiotherapy, Aarupadai Veedu Medical College &Hospital, Puducherry – 607403. Email: Director.sptpdy@vmu.edu.in Mobile:9366666683	External Member (Academic council nominee)
5.	Dr. S. Prabakaran B.P.T., Kiran Physio Clinic, Villupuram-605401. Email: selvaprabakaran@gmail.com Mobile:9500124251	Representative From Industry
6.	Dr. K. Ezhilan M.P.T., Chief Physiotherapist, SMVMCH, Puducherry– 605107. Email:ezhilan.mpt@gmail.com Mobile:9894857753	Special Member(Subject expert)

7.	Dr. J. Sathyanarayanan M.D., Associate Professor, Department of Medicine, SMVMCH, Puducherry-605107. Email:drisathiyannarayanan@gmail.com Mobile:9944540888	Special invitee (Subject expert)
8.	Dr. K. Karthikeyan, MD Dean (Academic), SMVMCH. Email:deanaccd@smvmch.ac.in	Special invitee
9.	Dr. M. Pragash, MBBS., D. Ortho., D.N.B.(Ortho), Medical Superintendent SMVMCH. Email:ms@smvmch.ac.in	Special invitee
10.	Dr. A. A. Arivalagar M.Tech. Ph.D. Dean academics (other schools), Sri Manakula Vinayagar Engineering College, Puducherry-605107. Email:deanacademic1@smvec.ac.in	Special invitee
11.	Dr. S. Anbumalar M.E. Ph.D., Dean Academics (Engineering), Sri Manakula Vinayagar Engineering College, Puducherry-605107. Email: deanacademic@smvec.ac.in	Special invitee
12.	Dr. V. Velkumar M.P.T. (PhD), Assistant Professor, College of Physiotherapy- S.M.V.E.C., Madagadipet, Puducherry-605107.	Internal Members
13.	Dr. R. Murali M.P.T., Assistant Professor, College of Physiotherapy- S.M.V.E.C., Madagadipet, Puducherry-605107.	Internal Members
14.	Prof.Dr. T.S. Muthu Kumar M.P.T., Ph.D., Dean, College of Physiotherapy- S.M.V.E.C., Madagadipet,	Special invitee

08.11.2025

8th Board of Studies Agenda

Sl.No.	Agenda Item	
1	BoS/2025/BPT/8.1	Confirmation of Previous minutes To confirm the minutes of the 7 th BOS meeting held on 8 th April 2025
2	BoS/2025/BPT/8.2 A	To appraise and approve the newly designed clinical log note and internship certificate for (CRI) continues Rotatory Internship for the students of 2021-26 batch
2	BoS/2025/BPT/8.2 B	To appraise and approve the postings allotments for the continues Rotatory Internship of the students during internship
3	BoS/2025/BPT/8.2 C	To appraise and approve the standard rules and regulations to governing the internship program
5	BoS/2025/BPT/8.3 A	To appraise and approve the proposed new regulations (R2026) and 1 st year syllabus for the BPT program in alignment with the “National Commission for Allied and Healthcare profession” (NCAHP - 2026) curriculum Handbook
6	BoS/2025/BPT/8.3 B	To appraise and approve the program Outcomes and Learning Objectives under the new regulations and to discuss the implementation of Outcome Based Education (OBE) and Competency – Based Education (CBE)
7	BoS/2025/BPT/8.3 C	To appraise and approve the proposed eligibility criteria for admissions including the selection procedures, age requirements, and provisions for persons with Disabilities (PwD)
8	BoS/2025/BPT/8.4 A	To appraise and approve the list of external examiners proposed for end semester examinations
9	BoS/2025/BPT/8.4 B	To appraise and approval of list of question paper setters for the academic year 2025- 26
10	BoS/2025/BPT/8.4 C	To discuss the results of End semester examination July 2025
11	BoS/2025/BPT/8.5	A. To appraise and seek approval from the Board of Members on the list of academic enrichment programs conducted B. To discuss to the Board members about the list of sports events conducted C. To discuss list of outreach programs conducted.
12	BoS/2025/BPT/8.6	Any other items with the permission of the Chair to the Board of Members
Vote of Thanks		

8th BoS Minutes of Meeting

Sl. No.	Agenda	Discussion	Action Taken
1	Welcome and Introductory session	Dr. K. Vivek, Chairperson, BoS opened the meeting by welcoming all the members and introduced the internal members.	
2	BoS/2025/BPT/8.1 To confirm the minutes of the 7 th BOS meeting held on 8 th April 2025	The chairperson presented the 7 th BOS agenda items that had been approved by the Board members	Approved
3	BoS/2025/BPT/8.2A To appraise and approve the newly designed clinical log note and internship certificate for (CRI) Compulsory Rotatory Internship for the students of 2021-26 batch	The proposed Clinical Log Note and Internship Certificate for the 2021–2026 batch were presented for review. Members appreciated the structured format, clarity in assessment parameters, and alignment with clinical competencies required for professional practice.	The Board approved the newly designed Clinical Log Note and Internship Certificate for implementation with immediate effect. The details are availed in the Annexure – A
4	BoS/2025/BPT/8.2 B To appraise and approve the postings allotments for the Compulsory Rotatory Internship (CRI) of the students during internship	The posting allotment details schedule for the (CRI) was discussed. Members commended the systematic distribution of postings across clinical departments hospitals and clinical ensuring balanced exposure and learning.	The Board approved the proposed posting allotments for the internship program. The details are availed in the Annexure – B
5	BoS/2025/BPT/8.2 C To appraise and approve the standard rules and regulations to governing the internship program	The Chair presented the standard rules and regulations governing the internship program. The Board reviewed provisions related to attendance, assessment, discipline, minimum number of case documentation in clinical log book and leave policies. Members found the framework comprehensive and	The Board approved the rules and regulations as for CRI The details are availed in the Annexure – C

8th BoS Minutes of Meeting

		conducive to maintaining academic and professional standards.	
6	BoS/2025/BPT/8.3 A To appraise and approve the proposed new regulations (R2026) and 1st year syllabus for the BPT program in alignment with the “National Commission for Allied and Healthcare profession” (NCAHP - 2026) curriculum Handbook	The proposed Regulation R2026 and First-Year BPT syllabus were presented in accordance with the National Commission for Allied and Healthcare Professions (NCAHP – 2026) Curriculum Handbook. After detailed deliberation, the Board members accepted the proposed Regulation R2026 and acknowledged the structured design of the First-Year syllabus. However, the members suggested that the syllabus (Anatomy, Physiology, Biochemistry, Psychology, Sociology) be reviewed and finalized in the presence of Respective subject experts to ensure comprehensive validation and content accuracy	The Board approved the proposed Regulation R2026 and provisionally accepted the First-Year syllabus, with the recommendation that it be placed for final approval in the next BoS meeting after review by subject experts. The details are availed in the Annexure – D
7	BoS/2025/BPT/8.3 B To appraise and approve the program Outcomes and Learning Objectives under the new regulations and to discuss the implementation of Outcome Based Education (OBE) and Competency – Based Education (CBE)	The Program Outcomes (POs) and Learning Objectives (LOs) under the new regulation were presented and discussed in detail. The Chair emphasized the institution’s transition towards Outcome-Based Education (OBE) and Competency-Based Education (CBE) frameworks, in alignment with national educational reforms. The Board suggested organizing Faculty Development Programs (FDPs) to enhance faculty understanding and execution of these pedagogical models. It was informed to the members that FDP sessions on OBE and CBE have already been initiated by the department as part of the preparatory phase.	The Pannel member appreciated the steps taken for organization FDP on OBE and CBE

8th BoS Minutes of Meeting

8	BoS/2025/BPT/8.3 C To appraise and approve the proposed eligibility criteria for admissions including the selection procedures, age requirements, and provisions for persons with Disabilities (PwD)	The proposed eligibility criteria for admissions, including selection procedures, age limits, and provisions for Persons with Disabilities (PwD) as per NCAHP guidelines, were reviewed.	Approved,
9	BoS/2025/BPT/8.4 A To appraise and approve the list of external examiners proposed for end semester examinations	The list of proposed external examiners for the upcoming end semester examinations was presented. Members reviewed the academic credentials and experience of the nominees and found them satisfactory.	Approved the details are available in Annexure - E
10	BoS/2025/BPT/8.4 B To appraise and approval of list of question paper setters for the academic year 2025 - 26	The proposed list of question paper setters for the academic year 2025–2026 was presented for consideration. The members reviewed the qualifications and experience of the proposed faculty members and endorsed the list.	Approved the details are available in Annexure - F
11	BoS/2025/BPT/8.4 C To discuss the results of End semester examination July 2025	The End Semester Examination results (July 2025) were presented and discussed. The overall performance of students was satisfactory, reflecting effective teaching and learning methodologies.	Appreciated the result obtained by the students and the details are available in Annexure - G

8th BoS Minutes of Meeting

12	BoS/2025/BPT/8.5 A. To appraise and seek approval from the Board of Members on the list of academic enrichment programs conducted B. To discuss to the Board members about the list of sports events conducted C. To discuss list of outreach programs conducted.	• The list of academic enrichment programs conducted during the academic year was reviewed, and members appreciated the department's efforts in enhancing student engagement and learning outcomes. • The sports activities conducted were discussed, and members acknowledged the emphasis on student wellness and holistic development. • The list of outreach programs and community engagement initiatives was also presented, and members appreciated the contribution towards social responsibility	Appreciated and the details are available in Annexure - H
13	BoS/2025/BPT/8.6 Any other items with the permission of the Chair to the Board of Members	-	-

TEACHING SKILL PRACTICE RECORD (For post graduates)

Sl. No.	Date	Topic	Method	UG/PG

Annexure -B

To appraise and approve the postings allotments for the continues Rotatory Internship of the students during internship

1	SMVMCH, PONDICHERRY
2	SAKRA WORLD HOSPITALS, BANGALORE
3	GANGA MEDICAL CENTRE, COMIBATORE
4	MMM, CHENNAI
5	NIPMED, CHENNAI
6	PIMS –PMR, PONDICHERRY
7	YMCA, CHENNAI
8	SYNERGE, CHENNAI
9.	ASTER WHITEFILD HOSPITAL, BANGALORE

Annexure -C

The guidelines for the compulsory internship of 6months (180 days). It is stipulated evenly for all the speciality as per University Norms.

The candidate should undergo compulsory rotatory internship CRI training in the following departments/specialties of Physiotherapy for the duration prescribed against each

Sl. No.	Training Posting /Areas	Duration
1.	Physiotherapy & Rehabilitation	30 days
2.	Orthopaedics and Traumatology / Rheumatology	30 days
3.	Cardio-Pulmonary/ Critical care units	30 days
4.	General Medicine/ General & Plastic Surgery	30 days
5.	Obstetrics &Gynecology/ Paediatrics &Paediatrics surgery	15 days
6.	Neurology & Neurosurgery	15 days
7.	Community Physiotherapy	15 days
8.	Elective (any one of the above, or Sports Physiotherapy)	15 days

The guidelines as follows:

General Conduct and Professionalism:

- Adhere to punctuality, dress code, and patient confidentiality.
- Follow all hospital policies.

Attendance:

- Duration of CRI is 180 working days
- 100% attendance is mandatory, except for pre-approved leaves.
- Leaves should not exceed two days per month.

Academic Requirements:

- Maintain a detailed logbook and submit weekly/monthly log notes.
- Expect regular feedback.
- The students need to maintain the log book for entire CRI period, co-signature by clinician in charge & CRI coordinator

Disciplinary Actions:

- Misconduct will result in disciplinary action, up to termination.

Leave Policy:

- One day of leave per month is allowed.
- Missed days must be compensated within the same posting.

Internship Start and Orientation:

- Internship starts 15 days after 8th-semester results.
- All interns must attend orientation before starting.
- Grading, attendance sheets, and log notes will be provided on orientation day.

ANNEXURE - D

NCAHP RULES AND REGULATIONS FOR BPT PROGRAM (ACADEMIC & INTERNSHIP PHASE)

SECTION 1: ACADEMIC PHASE (YEAR 1 TO YEAR 4)

Sl. No.	Component	Detailed Regulations / Requirements
1	Course Duration	The academic duration is four years, each comprising a minimum of 38 weeks per year. Each year includes classroom teaching, practical training, assessments, and excludes vacation, public holidays, and university exams.
2	Attendance Requirement	Minimum 75% attendance is mandatory in theoretical subjects and 85% in practical/skills training. No exceptions are allowed, even for medical reasons. Non-compliance disqualifies the student from university exams.
3	Medium of Instruction	All instruction and examinations are to be conducted in English.
4	Internal Assessment (IA)	20% of marks are reserved for internal assessments. These are based on attendance, assignments (40%), and mid-term tests (60%). The best of two tests is considered.
5	University Examinations	Final university exams constitute 80% of total marks. Students must score a minimum of 50% in theory and practical separately. Failure in one requires retaking both components.
6	Promotion Criteria	Students are promoted if they fail in no more than two subjects. All backlogs must be cleared before appearing for next final year exams.
7	Exam Frequency	Two exams must be conducted per academic year: one annual and one supplementary.
8	Assessment Pattern	Theoretical and practical exams include MCQs (max 20%), LAQs, SAQs, OSPE, OSCE, and viva to assess both knowledge and professional attitude.
9	Vacation Policy	Maximum 30 days vacation per academic year, including summer and winter breaks, as declared by the institution.
10	Grading and Credits	Letter grades range from O (Outstanding) to D (Below Average). CGPA and AGPA are calculated annually and cumulatively. One credit = 15 hrs theory / 30 hrs practical / 45 hrs clinical.
11	Break of Study	Students with up to two spells of break within five years may be readmitted. BPT must be completed within ten years of admission.
12	Migration Policy	Allowed between government institutions till the end of 2nd year. For private institutions, subject to university norms.
13	Admission Eligibility	Must have completed 10+2 with Physics, Chemistry, Biology (minimum 50%), qualified NEET, and be at least 17 years old on admission.
14	Disability Quota (PwD)	Benchmark disability between 40-50% in specified categories eligible for admission under quota. Certification must comply with PwD Act 2016.

15	Teaching Modes	Includes classroom teaching, hybrid learning, simulator and mannequin training, self-learning, and tech-enhanced pedagogy.
16	Course Commencement	Courses must begin no later than 1st September each academic year.
17	Re-examination Rules	Students failing theory or practical must appear for both components during supplementary exams.
18.	Promotion Criteria	- A candidate has passed the examination 50% of mark in theory and practical paper separately. - Students can allow to next year if number of failed subjects is less than 2 or 2 and student must clear all the subjects before appearing for final examination of next year. - After passing all the four year, he/she allowed to go internship
19	Academic Credit Structure	Credits are calculated based on hours: 1 credit = 15 theory hrs, 30 practical hrs, or 45 clinical hrs. Grades are awarded as per a 10-point scale.
20	Question Paper Design	Must reflect Bloom's taxonomy with weightage: Knowledge (20%), Comprehension (20%), Application (20%), Analysis (10%), Synthesis (10%), Evaluation (10%).
21	Practical Assessment	Conducted via OSCE/OSPE, DOPS, viva and structured clinical presentations. Must involve one internal and one external examiner.
22	Eligibility for Degree Award	Students must complete all academic and internship requirements, pass all subjects with at least 50% in theory and practical separately, and obtain a certificate of satisfactory internship completion.
23	Declaration of Class	- First Class with Distinction: $\geq 75\%$ aggregate and passed all subjects in first attempt.- First Class: 60-74% aggregate and completed within course duration.- Second Class: 50-59% aggregate.- Pass: Meets minimum 50% criteria without distinction.
24	Curriculum Structure	Annual pattern over 4 years + 1-year internship. Courses include foundation sciences, core physiotherapy subjects, electives, research methodology, and clinical education.
25	Academic Calendar	Each academic year includes minimum 220 working days; 38 hours per week schedule; exams held annually with supplementary option; 30 days vacation.
26	Education Methodology	Competency-based, integrated teaching approach using lectures, group discussions, practical labs, fieldwork, case-based learning, simulators, hybrid models, and clinical rotations.
27	Examination & Question Setting	Exams follow university format; question papers include LAQs, SAQs, VSAQs, and MCQs; practicals include OSPE/OSCE formats; internal and external examiners mandatory; adherence to Bloom's taxonomy required.

28	Credit and Grading System	Credits define the workload. 1 Credit = 15 hrs of theory / 30 hrs practical / 45 hrs clinical. Credits are assigned to theory, lab, clinic, project, or field work. AGPA and CGPA are computed to reflect student performance.
----	---------------------------	--

SECTION 2: INTERNSHIP PHASE (YEAR 5)

Sl. No.	Component	Detailed Regulations / Requirements
1	Duration	A full-time 12-month rotatory internship is mandatory, totaling 2016 hours (7 hrs/day, 6 days/week).
2	Leave Policy	A maximum of 12 days leave is allowed. Any excess must be compensated by extending internship.
3	Eligibility	Students must pass all theory and practical exams of all 4 years before commencement.
4	Posting Areas	Mandatory postings include: Ortho (45 days), Neuro (45 days), Community (2 months), Cardiology, Pulmonology, Sports, OBG, Pediatrics, Surgery, and Burns (1 month each).
5	Rural Posting	2 months in rural PHC/CHC or Community Rehab Center coordinated by State Council.
6	BLS Certification	Completion of a certified Basic Life Support (BLS) course is mandatory during internship.
7	Intern Designation	Interns are officially titled "Physiotherapy Intern" or "B.P.T. Intern".
8	Supervision	Interns must be supervised by registered senior physiotherapists with a max intern-to-faculty ratio of 10:1.
9	Logbook	Daily clinical activities must be documented in a logbook signed weekly and finalized by HOD and Principal.
10	Case Presentations	Minimum 12 documented and presented case studies required.
11	Project Work	A project/case report must be submitted and presented, supervised by a faculty member.
12	Assessment	Interns evaluated based on: Attendance (10%), Logbook (30%), and Project (60%). No university exam.
13	Certificate	Completion certificate must mention department-wise postings and dates; mandatory for licensing/registration.
14	Stipend	Must be paid by institution as per respective State Council guidelines.
15	Externship Option	Up to 4 months can be done in a State Council-approved external institution with prior NOC.
16	Infrastructure Norms	Hospitals must have dedicated physiotherapy departments with equipment and qualified staff to host interns.
17	Internship Extension	May be extended for excess leave, unsatisfactory performance, or disciplinary issues, as decided by Disciplinary Committee.
18	Disciplinary Rules	Includes suspension (3–4 weeks), rustication, or termination for serious misconduct or criminal activity.
19	Evaluation Method	No university exam. Internal assessment via project viva, logbook, and clinical performance.
20	Weekly Duties	Interns must complete weekly case discussions, clinical reviews, maintain logbooks, and participate in department activities.

Note: “NUES” denotes Non-University Examination Subjects evaluated internally by the institution.

SECTION 4: CREDIT, GRADING, AND TRANSCRIPT SYSTEM

4.1 Credit Assignment

- **Theory:** 1 credit per 15 hours of lecture
- **Practical/Lab:** 1 credit per 30 hours
- **Clinical/Field work:** 1 credit per 45 hours
- **Project work:** 1 credit per 30 hours (max 20–25 credits allowed)

4.2 Grade Point Scale

Letter Grade	Grade Point	Range of Marks (%)
O (Outstanding)	10	86–100
A+ (Excellent)	9	70–85
A (Very Good)	8	60–69
B+ (Good)	7	55–59
B (Average)	6	50–54
C (Below Avg)	5	45–49
D (Poor)	4	40–44
F / NC (Fail)	0	<50
Ab (Absent)	–	–

- Minimum 50% in both theory and practical to pass.
- A student getting 'C' or lower is considered failed for transcript and GPA purposes.

4.3 Annual Grade Point Average (AGPA) Computation

Formula:

$$\text{AGPA} = \Sigma (\text{Credit}_i \times \text{GradePoint}_i) / \Sigma \text{Credits}$$

Example Table:

Course	Credits (Ci)	Grade Point (Gi)	Credit × Grade (Ci×Gi)
Course 1	3	8	24
Course 2	4	7	28
Course 3	3	6	18
Course 4	3	10	30
Course 5	3	5	15
Course 6	4	6	24
Total	20	—	139

$$\text{AGPA} = 139 / 20 = \mathbf{6.95}$$

4.4 Cumulative Grade Point Average (CGPA) Computation

Formula:

$$\text{CGPA} = \Sigma (\text{AGPA}_{\text{year}} \times \text{TotalCredits}_{\text{year}}) / \Sigma \text{TotalCredits}_{\text{all_years}}$$

Example Table:

Year	Credits	AGPA	Credit × AGPA
1	55	6.9	379.5
2	56	7.8	436.8
3	42	5.6	235.2
4	45	6.0	270.0
Total	198	—	1321.5

$$\text{CGPA} = 1321.5 / 198 = \mathbf{6.67}$$

- AGPA and CGPA are rounded to two decimal places.
- Final transcripts reflect semester-wise AGPA and overall CGPA.

Note: Grading and credit norms are aligned with National Credit Framework and UGC guidelines adopted by NCAHP

SECTION 5: QUESTION PAPER DESIGN

Designing of question paper should take into consideration all levels of knowledge domain e.g. Bloom's taxonomy of cognitive domain. Use appropriate verbs for the questions at each level to assess higher levels of learning and applied knowledge of the subject. Use combination of various types of questions e.g. structured essays (Long Answer Questions - LAQ), Short Answers Questions (SAQ) and objective type questions (e.g. Multiple Choice Questions - MCQ). Marks for each part should be indicated separately. MCQs, if used, should not have more than 20% weightage. The question paper should be evenly distributed to cover all the sections appropriately from competencies.

Theory paper

i. Duration: 3 Hours

ii. Total Marks: 80

iii. Format:

a. Section-I

Que. 1 Long Answer $2 \times 10 = 20$ (Any 2 out of 3)

Que. 2 Short Answer $2 \times 05 = 10$ (Any 2 out of 3)

Que. 3 Very Short Answer $5 \times 02 = 10$ (Any 5 out of 6)

b. Section-II

Que. 4 Long Answer $1 \times 15 = 15$ (Any 1 out of 2)

Que.5 Short Answer $3 \times 05 = 15$ (Any 3 out of 4)

Que. 6 MCQ $1 \times 10 = 10$

Practical Examination (University)

i. Total Marks: 80

ii. Format: On the basis of

a. OSPE / OSCE,

b. Viva,

c. Case presentation.

ANNEXURE - E

Program outcomes

As an independent practitioner, entry level Physiotherapy graduate will be able to

- I. Demonstrate competencies to provide quality care to the individuals and populations to optimize their movement, function, and quality of life.
- II. Demonstrate competency to examine, assess, evaluate, treat and prescribe physiotherapeutic management of various disease, disorders and trauma conditions.
- III. Promote health and implement strategies informed by best available research evidence to prevent and minimize impairments, activity limitations and participation restrictions caused due to various disorders.
- IV. Demonstrate the commitment to provide ethical care through high standards of professional practice
- V. Demonstrate abilities to communicate effectively to augment therapeutic and professional relationships.
- VI. Demonstrate competency to prescribe and comprehend various diagnostic imaging, electrophysiological, hematological and bio-chemistry investigations for proper diagnosis, treatment or referral to other healthcare professionals
- VII. Demonstrate competencies to integrate best available research evidence in to clinical decision making and practice
- VIII. Exhibits commitment towards continuous learning and scholarly activities.
- IX. Demonstrate abilities to work effectively with Healthcare team in providing patient centered care
- X. Demonstrate abilities to manage self, time, resources and priorities to ensure safe, effective, and sustainable services
- XI. Demonstrate competencies in quality assurance relevant to Physiotherapy practice.

Learning Objectives: At the completion of this course, the student should be

- I. Able to acquire the cognitive, affective and psychomotor skills deemed essential for completion of this program and to perform as a competent physiotherapist who will be able to examine, evaluate, diagnose, plan, execute and document Physiotherapy treatment independently or along with the multidisciplinary team.
- II. Evaluate patients for impairments and functional limitations and able to execute all routine physiotherapeutic procedures as per the evaluation.
- III. Able to operate and maintain Physiotherapy equipment used in treatment of patient, Physiotherapy treatment planning (both electrotherapy and exercise therapy) & procedures independently
- IV. Able to provide patient education about promotion of health, prevention of disease and disorders and various physiotherapeutic interventions to the patient and care givers.
- V. Able to demonstrate all competencies to achieve the program outcomes

ANNEXURE - F

1. Eligibility Criteria for Admission – General

From the curriculum document:

- Candidates must have passed 10+2 (or equivalent) examination in **Physics, Chemistry, Biology** (PCB) from a recognised board.
- Minimum marks: Often a minimum of **50%** in the PCB subjects (for general category) is specified in commentary about the new curriculum. Admission shall be on the basis of having appeared for the NEET UG examination (for the new 5-year BPT curriculum effective from 2026-27).
- Duration: The BPT programme is now a **5-year** programme (4 academic years + 1 year internship) under the new curriculum.

2. Age Requirements

The NCAHP curriculum handbook does *not* appear to specify a fixed minimum or maximum age for admission into the BPT course.

3. Provision for Persons with Disabilities (PwD)

The NCAHP document includes specific eligibility criteria for PwD candidates (Table 4.2) under the BPT programme. Here is a summary of that section:

Sr. No.	Type of Disability (Permanent)	Eligibility for Admission	Remarks
1	Blindness & low vision	Persons with visual impairment but having at least one functional hand (i.e., able to hold, palpate, measure, move patient) are eligible	Need to demonstrate ability to perform physiotherapy tasks (physical movement/manipulation)
2	Hearing impairment	Persons with $\geq 40\%$ hearing loss but with speech and language functioning adequate for communication (so as to interact with patients/peers) are eligible	Assistive devices may be allowed; competence in communication must be confirmed
3	Locomotor disability & cerebral palsy	Persons with $\geq 40\%$ locomotor disability or cerebral palsy are eligible subject to functional ability to perform the essential tasks of physiotherapy , e.g., gait training, transfers, manual therapy	The Institute may ask for certified functional assessment and set up accommodations/assistive arrangements
4	Intellectual disability / specific learning disability	Generally not eligible for admission to BPT if the disability affects the functional capacity to perform the core physiotherapy tasks	The rationale being the need to safely and independently handle patients, perform assessments, manipulations etc.

(Adapted from Table 4.2 in the curriculum document.)

Key points to include in your institutional policy:

- Define the **minimum functional ability** required for physiotherapy practice—e.g., manual dexterity, mobility, communication, vision/hearing adequate to assess and treat patients. The curriculum states that beyond mere academic eligibility, the candidate must be capable of performing the tasks safely and effectively.
- Specify the **certification/documentation** required for PwD candidates: e.g., certificate of disability issued by a competent medical board, functional assessment indicating suitability for physiotherapy training.
- Indicate **reasonable accommodations** that the Institute will provide/allow (wherever feasible) for PwD candidates: e.g., modified physical infrastructure, assistive devices, extra time in examinations, ensuring accessibility of labs/wards.
- Highlight that final selection (after entrance exam) is subject to a **fitness assessment** (functional suitability) for the profession.
